**North-West College, Glendale Career College and the Marsha Fuerst School of Nursing
Recognize Hundreds of New Graduates at Spring Commencement Ceremony**

Event Highlights the College's Unwavering Commitment to Educating Students for Success

PASADENA, Calif.—Marking the culmination of many months of rigorous studies, more than 500 graduates from North-West College, Glendale Career College and the Marsha Fuerst School of Nursing crossed the stage at the College's Spring Commencement Ceremony on Sunday. The event brought together family members, friends, instructors, and Team Members alike—all there to celebrate this milestone moment for these graduates.

"I am proud and honored to be part of this commencement," shared College President Mitchell Fuerst. "These students have worked so hard—overcoming tremendous obstacles during this challenging time to finish their programs. And we are amazed by how they have persevered to reach their goals."

The spring 2022 graduating class was comprised of students from North-West College, Glendale Career College and the Marsha Fuerst School of Nursing, with graduates from many different career programs, including [Dental Assistant](#), [Medical Assistant](#), [Eyecare Specialist](#), [Massage Therapist](#), [Pharmacy Technician](#), [Surgical Technologist](#), [Vocational Nurse](#), [Associates Degree in Nursing](#), [Bachelor of Science in Nursing \(BSN\)](#) and more. Each student took part in a blend of classroom instruction and hands-on learning opportunities—a hallmark of the College that enables individuals to put their newfound knowledge into practice so they can hit the ground running in the health care field.

Students and attendees had the opportunity to hear from Keynote Speaker George Esquivel, Founder/Creative Director of the luxury footwear and accessories brand, Esquivel. He shared his story, explaining that, as a child, he moved around a lot, often living in rundown motels as his family struggled to make ends meet. After his father abandoned the family, George made the hard decision to step up and support his mother and younger siblings. The dedication he demonstrated toward his family was the same commitment that helped him chase his dreams and ultimately become the success he is today.

"Today should be the first day of each of you chasing your dreams," Esquivel said to the graduates. "Each of you can have an incredible influence over the people around you. Go out into the world. Apply for that job that seems out of your league. Go after your dreams and dream big. Have faith in God; work hard; and trust that everything will work out all right."

After pledging to practice their chosen professions with integrity, President Fuerst officially conferred the students as graduates of the College. "It's incredible to look out at the sea of students and recognize that each cap and gown represents a life changed by the quality career training we provide at our campuses," Fuerst explained. "We have no doubt they will go on to have an amazing impact in their field and the communities they serve."

About North-West College

Founded in 1966, North-West College has been committed to training individuals to enter and advance in the health care field for more than 55 years. A leader in allied health education, the College offers short-term programs at nine campuses throughout Southern California, including West Covina, Pomona Valley, Van Nuys, Glendale, Riverside, Anaheim, Long Beach, San Diego, and Bakersfield. The College's first seven campuses are institutionally accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC), while the San Diego and Bakersfield campuses hold institutional accreditation from the Accrediting Bureau of Health Education Schools (ABHES). Approved by the Bureau for Private Postsecondary Education (BPPE), North-West College offers a supportive educational environment for those ready to start a health care career.

About Glendale Career College

Founded in 1946, Glendale Career College has trained individuals to work and succeed in a variety of in-demand health care professions for more than 70 years. Committed to providing quality education, the College offers a number of career-focused degree and diploma programs. GCC is accredited by the Accrediting Bureau of Health Education Schools (ABHES), the Commission on Accreditation of Allied Health Education Programs (CAAHEP) (Surgical Technology), and the Board of Vocational Nursing and Psychiatric Technicians (BVNPT) (Vocational Nursing). The Associate of Arts in Nursing program is approved by the California Board of Registered Nursing (BRN).

The Marsha Fuerst School of Nursing

The Marsha Fuerst School of Nursing (MFSON) at Glendale Career College and North-West College offers an Associate Degree in Nursing program for students who wish to enter the profession of nursing and train to become a Registered Nurse, along with a Bachelor's degree (BSN) program for RNs who wish to expand their knowledge to advance their nursing careers. These programs are available in California at campuses in Glendale, San Diego and Bakersfield, with a new campus coming soon to West Covina.

To date, the College has graduated more than 55,000 students—individuals who have gone on to raise the standard of excellence at health care organizations of all types. For more information visit www.nw.edu, GlendaleCareer.com or MarshaFuerst.com.
